President Clinton's Health Care plan/package will succeed. It seems as though in this area of concern, he will be able to get what he wants. However, there is still much fighting in Congress between the Democrats and the Republicans. This will go on for awhile and it seems as though Clinton will not succeed his reorganization of Congress.

Much investigation goes on in Waco, Texas. The investigation will be in favor of the FBI and their raid. The investigation is trying to determine how two men with the gun shot wounds in the head died. At first it looks like suicide, however they may have been shot by other members of the cult when they tried to escape once the fire started.

Somalia will be of interest within the next two weeks as our government tries to determine what is the best course of action to take. It seems as though new thoughts and ideas will be taken to try to help the starving people.
